The map displays a detailed urban layout with various colored zones and landmarks. The coordinate grid shows Easting (E) values from 11,000 to 8,600 and Northing (N) values from 10,200 to 10,000. Key features include:

- SAVAGNASCO**: The central urban area, primarily colored in orange and pink.
- Green Zones**: Large green areas on the left and right sides of the map, possibly indicating parks or undeveloped land.
- Yellow and Orange Zones**: Residential or commercial areas in the center and right.
- Pink and Blue Zones**: Smaller, more irregularly shaped areas, possibly industrial or specialized commercial zones.
- Red Zones**: A large red area on the right side, possibly a park or a large industrial site.
- Roads**: A network of roads, including **VIA DELLA CROCE**, **VIA DAL ROSAIO**, **VIA DELLA FALCETTA**, and **VIA DELLA CROCE**.
- Landmarks**: A large red building complex on the left, a large green building complex on the right, and a large red building complex on the right.
- Scale**: A scale bar indicating 200 meters.
