

The floor plan illustrates the layout of the first floor, featuring a central corridor (Disimpegno 2) connecting various functional areas. On the left, there is a Refettorio and a Spogliatoio M. The central part contains several restrooms (WC1 through WC4) and a technical room (loc. tec.). The right side is dedicated to specialized equipment, including Compressori and a Server room. The Ingresso (entrance) is centrally located with a staircase. Dimensions and door specifications are provided throughout the plan.
